“God’s Amazing Grace”

August 1, 2010

All throughout the Bible God demonstrates his love for his people. We see this through the promise made to our forefathers in Genesis as well as the great characters in the pages that follow. A portion of that love is further demonstrated through His forgiveness and blessings given to His people in good times and bad.

David was shown grace throughout his life as he was God's chosen leader yet continued to struggle with his desires and agenda. David felt entitled to his position and standing because of the relationship he had with God. David fell short of God's expectations on a number of occasions and God demonstrated his love and grace by continuing to bless David.

Jonah was shown grace specifically during his travels to Nineveh. Jonah was told to go preach repentance to the Ninevites but he tried to run from God. Jonah passed judgment on the Ninevites thinking that they were not worthy of God's love and favor. God demonstrated his love and grace to Jonah by retrieving him from the belly of the great fish and giving him another opportunity to complete his task.

The Lost Son was shown grace when he realized his mistakes and turned back to God. After getting his inheritance before the passing of his father, he left home and squandered his possessions on "wild living." After coming to his senses, he returned to his father who ran to him and accepted him with open arms. God demonstrated his grace to the son by welcoming him home as his son.

Paul was shown grace when he was confronted by the Lord and he accepted his new mission. Paul had been living life in error even though he believed he was correct. The Lord directed Paul to live for him by preaching Jesus and forgiveness. Paul accepted God's grace after he realized the error of his ways and began living within God's favor.

Esther was shown grace throughout her life as she lived within God's favor. Esther understood God would bless her throughout her life if she lived according to his plan. She lived according to

his plan and received blessing and grace her entire life demonstrating that even good people need and get God's grace as well.

God's grace is demonstrated to everyone in different ways but in every way forgives us our sins and allows us to have a relationship with Christ. We all have struggles we deal with but God's grace is big enough to cover them all. May the Lord continue to bless us all and show us his favor as we receive and accept his loving grace.

harvest update

There is no better news to report than the Word is being preached and souls are being saved. Brady Wallace recently obeyed the gospel at the West Kentucky Youth Camp. Many of our young people have put on Christ this year in baptism. It has been a great summer. May the Lord continue to add to our number those who are being saved.
