

The Teachings of Christ

Dustin Campbell // Matthew 4:12-17

What are some of the teachings of Christ that are most memorable to you?

Where did Jesus receive the authority he taught with? What Bible verse shows us this?

Where should we receive the teachings we teach?

What are some examples of how Jesus taught with patience?

How can we be more patient in our teaching?

What did Jesus use to allow his teachings to be understood?

Do we have to be at the church building to teach?

Reflection:

As we continue to look at the life of Christ His teachings stand out. The teachings of Jesus are simple yet profound. These teachings are timeless and offer the keys of life to us as readily as in the time of Christ. By His example we are taught to be teachers ourselves. How are you using the example of Christ, the Teacher, in your life?
